

ABOUT THE AUDITION

AGES OF THOSE AUDITIONING

All MCT Tour shows are designed for students Kindergarten through 12th grade during our **school-year** tour and for students entering 1st grade through 12th grade during our **summer tour**. This is the optimum age range for our productions. There are roles especially suited for all ages, skill levels and experience levels. At a minimum, we must have students Kindergarten through 5th grade during our school-year tour and students entering 1st grade through 5th grade during our summer tour. If you restrict the age level further, it will result in extensive adapting of the script and may decrease the cast size.

AUDITION LOCATION

The ideal audition location is a large open room such as a gym or cafeteria. All those who audition will be up and moving where the MCT Tour Actor/Directors can see them, normally in a square, circle or "U" shape. An auditorium can be used, but often does not provide enough open space.

STUDENT PREPARATION

No advance preparation is necessary, but a smile never hurts at an audition. Students should come and be ready to have a good time! Please remember that everyone must stay the entire two-hours of the audition.

AUDITION SCHEDULE

The two-hour audition must be scheduled as the first session of the first day. Set a realistic time for the students to get to the audition location. Everyone is required to be present for the entire two-hours. Due to time constraints, anyone missing the initial audition may not be considered in the casting of the show.

ASSISTANT DIRECTORS

During the audition, as many as four Assistant Directors (ADs), ages ten and older, may be selected to help teach and direct the show early in the week as well as take on technical responsibilities at performance time. Their logistical help and creative ideas are a vital part of our process and the experience of the ADs can be just as valuable as that of any cast member. They are normally older students who do take part in the audition session. It is a common misconception that junior high and high school students can only be involved in an AD capacity. Please note that there are roles in the show designed for older students as well.

NUMBER OF STUDENTS CAST

Approximately 50-60 students will be cast in the show. There is no guarantee that everyone who auditions will be cast, except in the case where the Presenter chooses pre-registration within MCT guidelines.
