*Helping Kids Reach A New Stage!*

June 4, 2020

Dear Campers and Parents,

We hope this letter finds you and your loved ones safe and well. We appreciate your patience while MCT has considered all options for our summer programs.

Due to health and safety concerns regarding COVID-19, we have made the very difficult decision to cancel all overnight camps for the summer of 2020. After exploring every idea for modification and consulting with health experts, we have concluded that we simply can't provide a camp experience that will be safe for everyone.

We did not make this decision lightly. For over 40 years, thousands of campers and staff members have spent their summers on the shores of Flathead and Seeley Lakes. To cancel camp for the first time ever is heartbreaking for us. We know it is for you as well.

All students will be invited to camp in 2021 without re-auditioning and will automatically be accepted. You may either roll your deposit forward to next year, or MCT will issue a \*refund upon request.

In this time of isolation and social distancing, we are all eagerly awaiting the time we can gather safely, united by our love of performing and the theatre – but only when the time is right.

We will miss the laughter, jokes, and meaningful moments that you bring to our lives. Thank you again for your patience and understanding. We are grateful for your support.
