For Immediate Release

MCT Cancels Remaining *The Spitfire Grill* Performances

MISSOULA, MT - The Missoula Community Theatre deeply regrets that beginning tonight (Friday, March 13) through Sunday, March 15, **all** remaining performances of *The Spitfire Grill* have been cancelled out of the safety and concern for our valued patrons, volunteers and staff.

Patrons may request to exchange their tickets to *The Spitfire Grill* for a future production or obtain a refund if an exchange is not possible. If a patron is able and willing to consider donating back the price of their ticket in lieu of a refund, MCT would gratefully accept that gift which would lessen the significant financial impact of the cancellation and a tax-deductible receipt would be issued.

MCT has been monitoring this unprecedented and rapidly-changing situation around Coronavirus and following recommendations from health professionals and local, state and federal officials. The advice coming from all levels of health professionals is to practice “social distancing” and avoid large crowds, which can be very difficult to accomplish in a theatre venue.

Please visit www.MCTinc.org for further updates and announcements regarding upcoming events and productions. MCT is extremely grateful to our patrons, volunteers, staff and board of directors for their support while we navigate this challenging time.....together.

* For further information, patrons may call the MCT Box Office at 406-728-PLAY(7529) which is open Mon.-Fri. between 9AM and 5PM. Questions from the media may be directed to MCT’s public relations director, Terri Elander, who may be reached at telander@mctinc.org or 406-829-5218.
