Drama Quest: Adventures in Antarctica!	A grand adventure in the world's largest desert, Antarctica, awaits! Using active and energetic role-playing in a dynamic group setting, students will develop problem-solving skills by engaging their communication and imagination skills. Your students will have so much fun - they won't realize that they're learning!	<p>Grades K-2 30 students</p> <p><i>We ask that one representative from your organization be available during the workshop.</i></p>
Acting	The basic tools of an actor's trade - observation, memorization, concentration, and imagination - are presented and explored in an entertaining manner. The students participate in a variety of fun exercises, learning to apply the actor's tools to both performing and everyday life.	<p>Grades K-2 30 students</p>
Non-Verbal Storytelling	Did you know that 55% of communication is non-verbal? Being able to tell a story without speaking is a key tool on the stage, in class, at the grocery store – everywhere! See how isolations, illusions, key gestures, and body language are used to tell a story.	<p>Grades 3-12 60 students</p>
Improv	Participation and teamwork are emphasized as the students learn to act without a script. This workshop can be geared to all skill levels of students from beginners to more experienced performers.	<p><i>We ask that one representative from your organization be available during the workshop.</i></p>
Stage Makeup	Makeup is the foundation and the most basic visual image for all performers. This workshop teaches students of all ages by demonstrating (on a few participants) character and special effects makeup for the theatre. Please note, this workshop is specific to theatre makeup techniques and is not a "face painting" experience.	<p><i>Workshop content will be tailored to the chosen age group and is most effective when limiting the age range of the participants to three or four grade levels within a particular session (i.e. K-2, 3-5, 6-8 and 9-12).</i></p>
So Playwright, It Can't Be Wrong	An entertaining and interactive assembly-style program designed to expand the imagination. Audience members will learn the building blocks of plot structure in order to create a fun, action-packed script that the tour actors/directors bring to life! <p>Note: The fee for this workshop is equivalent to 3 workshops. This workshop is only available September 2023 – May 2024.</p>	<p>Grades K-6 600 students</p> <p><i>(Assembly/Performance Style)</i> <i>Grade level adjustments for this workshop can be made to accommodate special circumstances.</i></p>
