WORKSHOP LIST January 2021 - May 2021

Three workshops are included in the cost of your residency. You may purchase extra workshops, beyond the three included, at the rate listed on your contract. Workshops last approximately 45 minutes. We prefer to do workshops on Tuesday, Wednesday and/or Thursday. Due to our continued dedication to a quality educational experience for each child, the maximum number of participants will be strictly enforced.

We have limited our Workshop offerings During Covid-19 to the following:

TITLE	DESCRIPTION	Grades and Capacity
Acting	The basic tools of an actor's trade - observation, memorization, concentration, and imagination are presented and explored in an entertaining manner. The students participate in a variety of fun exercises, learning to apply the actor's tools to both performing and everyday life.	<p>Grades K-12 30 students</p> <p><i>We ask that one representative from your organization be available during the workshop.</i></p> <p><i>Workshop content will be tailored to the chosen age group and is most effective when limiting the age range of the participants to three or four grade levels within a particular session (i.e. K-2, 3-5, 6-8 and 9-12).</i></p>
Improv	Participation and teamwork are emphasized as the students learn to act without a script. This workshop can be geared to all skill levels of students from beginners to more experienced performers.	
Behind the Scenes	Most people don't get to see what happens before the curtain rises. This workshop explains how the process of role-play helps to increase communication skills and teaches constructive group dynamics.
